

We welcome you to our home...

A LITTLE ABOUT US

The Rock Creek Inn is one of the best values on the north Oregon Coast; we invite you to make use of this luxurious setting.

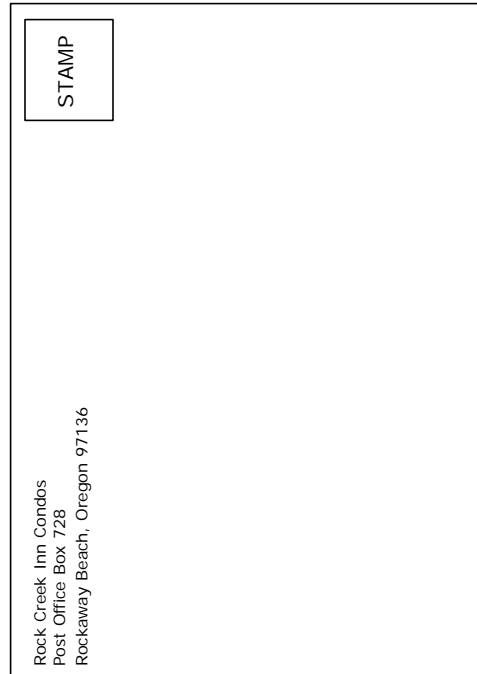

We are a group of independent condominium owners who use the services of the onsite manager to rent our personal vacation condos.

Each unit is personalized for our own use and taste, as well as for our renters' fun and comfort.

Situated directly on a seven mile long beach, all units have full kitchens, two baths, cable TV with VCR/DVD players, fireplaces, and verandas for an amazing view of the ocean, Twin Rocks, and activity on the beach. Wireless Internet and an onsite laundry room are also available.

The beach in front of us is near the outlet of Rock Creek, a small fresh water stream running down the beach into the ocean. This means the kids (big ones and little ones) can play (or lie) in the sand, make sand castles, or try to dam up the stream, while avoiding being splashed by ocean waves.

You may also go fishing, clamming, crabbing, golfing, kite flying, bird watching, and watching whales during their migration.

Beautiful Condominium rental units on the ocean front, with an unobstructed view of the sand and ocean in the center of Rockaway Beach. Come and explore and discover Rockaway Beach for 2 days, a week, or a month...

We are the key to any vacation at the beach!
